SHIFATE RAHMAN KA PRADARSHAN

Allah ki shifate meharbani ka pradarshan duniya me har waqt hota hai, vo apne manne vale aur na-manne vale, sab ko apni shifate meharbani se rozi deta hai, balke na-manne valo ko jiyada hi dete hai, to rahman ka matlab ye hai ke vo farq nahi karta momin aur kafir ki, sab par uski meharbani har waqt barabar pohochti rehti hai.

SHIFATE RAHIM KA PRADARSHAN

Rahim ke matlab hai jiski meharbani kamil ho, uska pradarshan akhirat me hoga, vaha kafiro par koyi meharbani

nahi hogi, lekin momino par
puri meharbani hogi.

DUNIYA ME RAHMAT MUKAMMAL NAHI

Allah ki rahmat duniya me bhi hai, lekin mukammal nahi, yaha rahmat ke saath taklif bhi lagi huvi hai, koyi bade se bada badshah bhi ye dava nahi kar sakta ke usko koyi taklif aur dukh nahi hai, is duniya me Allah ne rahat ke saath taklif ko bhi rakha hai.

ALLAH NE TEEN AALAM PAIDA KIYE HAI

Ek aalam jisme sirf rahate, khushiya, aur aaram hi aaram he, aur vo jannat he.

Dusra aalam jisme sirf taklife aazab, aur sadme hi sadme hai, aur vo jahannam hai, Allah sab ko usse mehfuz rakhe, aamin.

Teesra vo aalam jisme rahate
aur taklife mili juli huvi hai,
aur vo ye Duniya hai.

Allah ki rahmat bahut vasi hai,
sab par chhayi huyi hai, lekin is aalame
duniya me mukammal nahi hai, Allah
apni mukammal sifte rahmat ka
mujahira us waqt karege jab unki taraf
se jannat me jane valo ko ye paigam
milega, aaj ke baad tum par na koyi
khauf hoga, aur na koyi sadma.

DUNIYA ME DARKA AUR MAUT KA AANDESHA HAI

Duniya me aap achchhe se achchhe
dastarkhan par baithe ho, aur behtarin
laziz khane saje huve ho, bhukh bhi lagi
ho, aur lajjat ke saath khana khate huve
bhi dil me dar laga rehta hai, ke kahi
badhajmi na ho jaye, lekin jannat me jo

nemate milegi, unse na to badhajmi hogi, aur na maut ka aandesha hoga, vaha jo rahate aur nemate milegi, vo mukammal hogi, isliye bujrugo ne farmaya hai, Allah duniya me rahman hai, aur akhirat me rahim he.

Allah apne fazlo karam se hame duniya me rahmaniyat aur akhirat me rahimiyat ataa farmaye, aamin.
